Providence Digital Commons
How to create a QR Code using a Digital Commons URL

• Once your material is ready for a QR Code, go to the Digital Commons Submission Form.

• In the form, select YES for item #10.
  The Digital Asset Librarian will be notified and provide your contact email with a unique URL for your material.

• Create your QR Code using a QR Code generator and your new URL.

• If you need assistance creating your QR Code from your URL, please contact digitalcommons@providence.org.
