Digital Commons – Institutional Repository

The screenshot shows the homepage of the Providence St. Joseph Health Digital Commons. At the top left is the Providence St. Joseph Health logo. To its right is the text "Providence St. Joseph Health Digital Commons". Below the logo is a navigation menu with links for "Home", "About", "FAQ", and "My Account". The main content area features a large banner image with the text "Orthopedic and Sports Medicine Institute". Below the banner is a section titled "Browse Research and Scholarship" with a "Follow" button and three bullet points: "Research unit, institute, or department", "Expert Gallery", and "Nursing – New Knowledge, Innovation, Improvement". Below this is a paragraph describing the repository as a service of the Providence St. Joseph Health System Library Services. To the right of the main content is a blue sidebar with sections for "Browse" (Collections, Disciplines, Authors), "Search" (Enter search terms, Search button, dropdown menu for "in this repository", Advanced Search), and "Author Corner" (Author FAQ, Submit Research). At the bottom of the page are sections for "At a Glance" (Top 10 Downloads, Recent Additions) and "Paper of the Day" (A systematic approach to quantifying infection prevention staffing and coverage needs).

An institutional repository for collecting published articles, book chapters, posters, presentations, images, videos, data sets, and more.

One convenient place for all of the new knowledge created by PSJH caregivers.

Digital Commons aims to activate the voice of PSJH and share our research accomplishments as a world-class research organization.

Challenges and Differences in a Health System

- Differences in organizational structure and taxonomy
- Different potential collections and audiences
- Updating items with MeSH terms added after article is ingested

How to Organize – No clear departments

A screenshot of a contact card for Alicic, Radica Z. The card displays a profile picture, name, and status (Offline 2 hours). It lists her role as Physician Hospitalist, PHC PMG IM Hospitalist. Below the name are icons for chat, phone, video, and email. The card is divided into sections: CONTACT (with sub-sections for Calendar, Send Email, Call Work, and IM), ORGANIZATION, WHAT'S NEW, and MEMBERSHIP. The CONTACT section includes details like 'Outside of working hours for next 8 hours', 'Schedule a meeting', 'Send Email' (with email address Radica.Alicic@providence.org), 'Call Work' (with phone number (509) 474-3260), and 'IM' (with email address Radica.Alicic@providence.org). The ORGANIZATION section lists 'Office' as Sacred Heart Medical Center and 'Company' as Physician Managmnt Group PHC.

- No standard naming convention for departments across Providence St. Joseph Health
- No single Employee Directory to check departments of authors
 - Closest is Outlook, but does not include all of our affiliates

How to Organize – Subject Expertise

[Mol Biol Cell](#). 2018 May 1;29(9):1100-1110. doi: 10.1091/mbc.E17-06-0430.

Involvement in surface antigen expression by a moonlighting FG-repeat nucleoporin in trypanosomes.

[Eur J Pharmacol](#). 2018 Feb 5;820:229-234. doi: 10.1016/j.ejphar.2017.12.049. Epub 2017 Dec 21.

In vitro characterization of alkylaminophenols-induced cell death.

[Cell Rep](#). 2018 May 22;23(8):2318-2329. doi: 10.1016/j.celrep.2018.04.088.

Regulation of Pathogenic T Helper 17 Cell Differentiation by Steroid Receptor Coactivator-3.

Where to begin?

LIBRARY OF CONGRESS CLASSIFICATION OUTLINE

CLASS R - MEDICINE

(Click each subclass for details)

- Subclass R [Medicine \(General\)](#)
- Subclass RA [Public aspects of medicine](#)
- Subclass RB [Pathology](#)
- Subclass RC [Internal medicine](#)
- Subclass RD [Surgery](#)

RESEARCH AND CLINICAL TRIALS

- About
- Clinical trial basics
- Find a clinical trial
- Contact us
- Research highlights

Search trials in the following clinical areas:

-  Cancer
-  Cardiovascular (heart)
-  Digestive health
-  Kidney & diabetes
-  Neurosciences (brain & spine)
-  Women & children
-  Orthopedics & Sports Medicine

How to Organize – Course of Action

- Internal focus groups
 - Senior Research team members
 - Difficult to categorize areas
 - Institute for Systems Biology

Other Challenges and Differences in a Health System

- Different potential collections and audiences to further institutional goals
- Feedback and ideas from our community
- Volume of items being input
- Updating items with newly added MeSH terms
