

# SIMS RN ROLE IN EMERGENCY CARE CENTER- A NEW APPROACH TO DELIVERING QUALITY CARE

CLINICAL III PROJECT

JO ZARNEGAR, MSN, RN, CEN, CNML

# SIMS RN IN ECC

- Quality improvement project supported by senior leadership
- How can nursing influence the delivery of care and improve patient outcomes?
- Interdisciplinary approach by engaging key stakeholders and specialty experts
- Empower nursing professionals in their clinical practice through knowledge, support, recognition, and professional growth.

# SIMS RN IN ECC
