## Internal soft launch July 1

- 150+ articles have been added
- Small Nursing boot camp posters gallery
- Outreach has begun to start adding conference posters and presentations

## Decisions in progress

- Nesting in categories such as Pediatrics, Internal Medicine, and Gastroenterology
- Are articles about cancer only in Oncology, or also Oncology and the “department” affected – i.e. Melanoma research in Oncology AND Dermatology?

## Future plans

- Showcasing Nursing research in support of Magnet credentialing process
- Datasets from cancer researchers
- Events and journals
